Dear NCHS Community,

The registration process is an extremely important activity that requires all stakeholders working together. Student course requests determine the number of sections created with the intention of giving every student an opportunity to experience as many class offerings as physical space allows. For this reason, students and their families are a huge part of the process. When choosing classes, please thoughtfully consider the students' educational and career goals. With attentive course selection, NCHS will be more able to create a master schedule that meets the needs and wants of our students.

This coming school year, P.I.C. will have a different flavor to it. First, NCHS students are presented the opportunity to take courses in the afternoons, which will be offered in the alternate block format that perfectly aligns with the NC schedule. Second, the integrated course offerings will no longer be an option. Instead, upper level elective courses must be taken in conjunction with a core class.

Please know that the NCHS Counseling Department is eager to help students prepare for next year, as well as their futures. If you have any questions, don't hesitate to call the Counseling Main Line at 253-1517, Ms. Hall or Mrs. Brooks will connect you with the appropriate grade-level counselor. Our counselors can also be contacted using their email addresses:

Lana Bolan 9th grade: lane_bolan@natronaschools.org

Jamie Freymuth 10th grade: jamie_freymuth@natronaschools.org

Missy Nack 11th grade: missy_nack@natronaschools.org

Cari Langley 12th grade: cari_langley@natronaschools.org

Marvin Birzer IB students: marvin_birzer@natronaschools.org

Thank you so much for your help as we begin preparing for the 2018-2019 school year. Also, thank you for choosing NCHS because "Every Day is a Great Day to be a Mustang!"

Sincerely,
NCHS Counseling Department
